If you do not have an existing account, you will need to create an account, follow the easy online screens to enter your information, and then add your player as a participant. Birth certificates are now being required to play, and you may upload your child's birth certificate. Once it is uploaded, RYSA will verify

the date of birth in the system, and the birth certificate will be deleted for security purposes. If you cannot upload the birth certificate, please mail or bring a copy to the RYSA office.

Once your child is added as a participant, his or her date of birth will trigger the correct age group and you will see the following screen.

The screenshot shows a registration interface with a dark header bar containing a person icon and the text "Program Information needed for Child 1 RYSA". Below the header is a light blue breadcrumb trail with three steps: "1 2015-2016 Winter Indoor Competitive Team", "U09 Boys", and "Child 1 RYSA". The main form area is white and contains the following elements: a "Medical Release" label above a text input field; the text "I accept the waiver\*" followed by an unchecked checkbox; a toggle switch for "Do you have a team code? (U09 Boys)" currently set to "Yes"; and an "Enter Team Code" label above another text input field. At the bottom right of the form, there are two buttons: a grey "Back" button and a green "Continue" button.

The team code should be filled in if you have started your registration from your email. If it is not filled in, enter the code contained in your email, accept the waiver, and click continue to go to the payment screen and finalize your registration.
