Coaches will let parents know what tournaments they plan on entering, and the team managers will handle collecting the necessary fees.

Preseason Team Training

Preseason Team training is included in the fall registration fee. All players are expected to attend this preseason event so that the teams can maximize this training. A player that cannot attend training will NOT receive a discount on registration. No exceptions!!

Preseason training dates to be determined by the Directors of Coaching

Uniforms

RYSA players will wear the new Adidas uniform kit being introduced this season. All players will be required to purchase one blue jersey, one red jersey, one pair of blue shorts, one pair of black shorts, one pair of black/white socks, and one pair of white/blue socks. A warmup and backpack are available for purchase but are optional. The uniforms will be ordered online by the parent and shipped to your house. Ordering instructions will be given by your team manager.

Volunteering at RYSA

Every team will need a team manager and a finance manager. The Team Manager is an invaluable member of a soccer team. The main role of the Team Manager is to provide information to the team and to help keep the team organized. The Team Manager will need to always be able to provide timely, open communication between parents and the coach. The Team Manager will handle many aspects of the team which are not limited to but may include organizing uniform orders, email and phone communications, tournament details, organizing volunteers, maintaining player passes and official Ga Soccer roster, filling out game cards for games, filing injury reports or misconduct reports, relaying information from RYSA to the team and other miscellaneous duties depending on the age group.

The Finance Manager's job is to collect money from the parents for the registration payments, tournament entry fees, coach's expenses for travel and other miscellaneous items. A must for a finance manager is to be at the fields during practices and at games so that you can collect money from parents.

Please email Lisa Fouser at admin@rysa.net if you are interested in the Team Manager or Finance Manager position for your team.
